Additional Information _____

This area provided for diagram. (show lot size, building location, addition, fence, floor plan, etc)

The laws and building regulations of the State of connecticut and the City of New Britain shall at all times have precedence over drawings and specifications. Anything contrary to said law and regulations that may at any time appear on drawings and specifications, or in the work as executed, shall be corrected without delay upon receipt of due notice from the Building Official. Based on the application, the permit shall be a license to proceed with the work and shall not be constructed as authority to violate, cancel or set aside any of the provisions of the codes, except as specifically stipulated by legally granted modification by the State Building Inspector (106.2 Modifications).
