

## **Puppetry Camp**

Age Range: 9 & Up

DAYS	START/END DATE	START/END TIME	FEE	SESSION #
M-F	07/07-07/11	12:45-3:00P	\$125	2038-1

Students design and create their own puppet! Puppets come to life when student puppeteers learn how to control hand rods to animate each puppet creation. Techniques in character development, expression, gesture, voice and sound effects are reviewed. Students write monologues and present a group skit in the final class. Students keep their puppets and sound effects kit. Friends and family invited to final class presentation.  
Location: New Britain High School
